

Draft Agenda INOGATE Event:

“Workshop on accessibility and implementation of international technical regulations and standards in the gas sector” (CWP 04.GE)

Date 22 March 2016

Tbilisi, Georgia

22 March 2016

Venue:

MORNING SESSION: Chair: Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS	
10:00-10:15	Opening of the session and presentation of the INOGATE project, Welcome address from host organization Mr. Nikos Tsakalidis Deputy Team Leader, INOGATE Secretariat.
10:15-11:00	UK influence in the developing EU standards for gas transmission <i>Senior Gas Standardization Expert –Mr.Phil Winnard</i>
11:00-11:45	<i>The role of the health and safety executive and technical associations in applying European standards in the UK gas industry</i> <i>Senior Gas Standardization Expert –Mr.Phil Winnard</i>
11:45 – 12:00	<i>Coffee Break</i>
12:00-13.00	UK network operator implementation of European standards. Senior Gas Standardization Expert –Mr.Phil Winnard <i>Case study of UK gas network operator development of Code of Practice in accordance with EN 12186 Gas supply systems —Gas pressure regulating stations for transmission and distribution</i>
13:00-13:30	Problems with the implementation of functional gas standards in Ukrtransgaz. Questions to Senior Gas Standardization Expert –Mr.Phil Winnard on EN1594,EN 12327,EN12186, EN1776,EN12583, EN16348 Dr. Teimuraz Javakhishvili, Head of Design Department GOGC, Coordinator of Working/Learning Groups
13:30 – 14:30	<i>Lunch</i>
AFTERNOON SESSION: Chair: Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS	
14:30-15:00	Discussion members of Working/ Learning Groups Senior Gas Standardization Expert – Mr.Phil Winnard on EN1594 Moderator Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS:

15:00-15:30	<p>Discussion members of Working/ Learning Groups Senior Gas Standardization Expert – Mr.Phil Winnard on EN12327</p> <p>Moderator Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS:</p>
15:30-16:00	<p>Discussion members of Working/ Learning Groups Senior Gas Standardization Expert – Mr.Phil Winnard on EN1776</p> <p>Moderator Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS:</p>
16:00-16:30	<p>Discussion members of Working/ Learning Groups Senior Gas Standardization Expert – Mr.Phil Winnard on EN12186, EN 12583and EN 16348</p> <p>Moderator Dr Viktor Petrenko Senior Standardization Expert / Task Leader - Standardisation Expert, ITS:</p>
16:30 – 16:50	<i>Coffee Break</i>
16:50-17:20	<p><i>•Present and discuss the optimal set of standards needed for complex systematic implementation of European gas functional standards for pipelines with MOP more 16 bar</i></p> <p><i>Dr Viktor Petrenko Senior Standardization Expert / Task Leader, ITS</i></p>
17:20-17:40	<p><i>Implementation plan model for gas company implementation of European standards for gas transmission</i></p> <p><i>Senior Gas Standardization Expert –Mr.Phil Winnard</i></p>
17:40-18:00	<i>Summary of seminar</i>
