

## Study Tour on Energy Statistics and Energy Balances

5-7 November 2013, Sofia, Bulgaria

### \*Final Agenda\*

**5 November 2013, Tuesday**

**Venue:** City Hall, Best Western Plus City Hotel, 6 Stara planina Str., Sofia 1000, Bulgaria

**Chair:** Mr. Roeland Mertens, *EUROSTAT*

---

#### Welcome address

- 9:00 - 9:30
- Mr. Sergey Tsvetarsky, Deputy President, NSIB
  - Mr. Roeland Mertens, *EUROSTAT*
  - Presentation of NSIB Team, INOGATE Technical Secretariat (ITS) Team and participants from ITS Partner Countries

---

#### Session 1. Introduction

##### The role of Eurostat in European statistics on energy

- Mr. Roeland Mertens, *EUROSTAT*

9:30 - 10:30

##### Brief overview of INOGATE project on statistical cooperation

- Ms. Gloria Aguinaldo, Key Expert on Energy Statistics, ITS

#### Discussion

10:30 – 11:00 Coffee break

---

#### Session 2. Legal and institutional framework of NSIB

##### Legal basis for energy data collection in the National Statistical Institute of Bulgaria

- Ms. Finka Denkova, Director of Statistics of Environment, Infrastructure and Regions Directorate, NSIB

11:00 - 12:30

##### National and international commitments of NSIB

- Ms. Irina Mitova, Chief Expert in Energy and Transport Department, NSIB

#### Discussion

12:30 – 13:30 Lunch break

##### Organisation and implementation of energy statistics activities in NSIB

- Ms. Antonia Parvanova, Head of Energy and Transport Department, NSIB

13:30 - 15:00

##### The international statistical legislation applied in Bulgaria (the procedure of harmonisation, barriers, solutions)

- Ms. Ivanka Tzvetkova, Chief Expert in Energy and Transport Department, NSIB

- Ms. Irina Mitova, Chief Expert in Energy and Transport Department, NSIB

#### Discussion

15:00 - 15:30 Coffee break

---

#### Session 3. Energy statistics in Bulgaria: main characteristics of the Bulgarian energy data collection system

##### Scope of energy statistics in Bulgaria

- Ms. Maria Georgieva, State Expert in Energy and Transport Department, NSIB

15:30 - 17:00

#### Discussion

#### Wrap-up and end of the first day

---

18:30 – 21:00 **Dinner**

## 6 November 2013, Wednesday

### Continuation of Session 3. Energy statistics in Bulgaria: main characteristics of the Bulgarian energy data collection system

#### Collection of data on energy supply in Bulgaria

- Ms. Kalinka Petrova, Chief Expert in Energy and Transport Department, NSIB

#### Discussion

9:00 - 11:00

#### Energy (transformation and other) sectors in Bulgaria: data providers, reporting forms, frequency of reporting, methods of collection

- Ms. Ivanka Tzvetkova, Chief Expert in Energy and transport Department, NSIB

#### Discussion

11:00 - 11:30 *Coffee break*

#### Collection of data on energy use: non-energy consumption and final energy consumption

11:30 – 12:30

- Ms. Maria Georgieva, State Expert in Energy and Transport Department, NSIB

#### Discussion

12:30-13:30 *Lunch break*

### Session 4. Energy balance compilation

#### Overview of energy balance compilation: methodology and tool used; plans for further improvements

13.30-15:00

- Ms. Maria Georgieva, State Expert in Energy and Transport Department, NSIB

#### Discussion

15:00-15:30 *Coffee break*

### Session 5. Completion of IEA/EUROSTAT/UNECE annual questionnaires

#### Overview of the 5 annual questionnaires: completion and submission; issues and challenges

15:30 - 17:00

- Ms. Iveta Minkova, Chief Expert in Energy and Transport Department, NSIB

#### Discussion

#### Wrap-up of the second day

18:00 – 20:00 **Guided Walking Tour of Sofia**

## 7 November 2013, Thursday

### Session 6. Europe 2020 and sustainable energy indicators

#### Overview of Europe 2020 and sustainable and energy indicators

9:00 - 10:00

- Ms. Antonia Parvanova, Head of Energy and Transport Department, NSIB

#### Discussion

---

### Session 7. Natural gas and electricity prices according to Directive 2008/92/EC

---

**Natural gas and electricity prices according to Directive 2008/92/EC - methodologies applied**  
 10:00 – 11:00 - Ms. Iveta Minkova, Chief Expert in Energy and Transport Department, NSIB  
**Discussion**

11:00 - 11:30 Coffee break

**Reporting and dissemination of energy data**  
 11:30 – 12:30 - Ms. Antonia Parvanova, Head of Energy and Transport Department, NSIB  
**Discussion**

12:30 - 13:30 Lunch break

---

### Session 8. Role of energy statistics and energy balances in development of energy policies

---

**Energy strategies and policies for sustainable energy development**  
 13:30 -14:15 -Ms. Tsvetelina Mihailova, Senior Expert in Renewable Energy Sources Department, Ministry of Economy and Energy  
**Discussion**

---

### Session 9. Development of energy efficiency indicators

---

**Development of energy efficiency indicators in the framework of the ODYSSEE – MURE project**  
 14:15 - 15:00 - Mr. Ljudmil Kostadinov, Chief Expert in Information and Analysis Directorate, Sustainable Energy Development Agency  
**Discussion**

15:00 - 15:30 Coffee break

---

### Session 10. Survey on final energy consumption in households

---

**Survey on final energy consumption in households: methodology and experience gained from participation in Grant Agreement**  
 15:30 -16:45 - Ms. Kalinka Petrova, Chief Expert in Energy and Transport Department, NSIB  
**Discussion**

---

### Session 11. Wrap-up and awarding of certificates

---

**Wrap-up - conclusions of the study tour**  
 - Mr. Roeland Mertens, EUROSTAT  
 16:45 -17:15  
**Awarding of certificates**  
**End of the last day**

---
