

SEMISE – SMALL-SCALE CAPACITY BUILDING PROJECT

PPF No. UA37

Project Title
Capacity Building in development of EE and RES projects

Country (s) Ukraine

Timescale for implementation July – December 2011

Beneficiary(s)
OJSC "Erste Bank", Kiev

Main and specific objectives

The **main** objective of this project is to boost investments into EE and RES in Belarus by building the capacity of one of leading Ukrainian banks. It is also SEMISE objective to demonstrate to other Ukrainian banks that Erste Bank prepares its personnel. It could mobilise other banks to follow.

The **specific** objectives of the project are:

- Build the capacity of middle level managers (mainly credit officers) helping them to better handle EE and RES investment projects;
- Contribute to reduction of risks for EE & RES investment project; and
- Prepare SEMISE to replicate this kind of assignment

Results achieved
