PROGRAMME FUNDED BY THE EU

# ITS Strategy Directions (1)

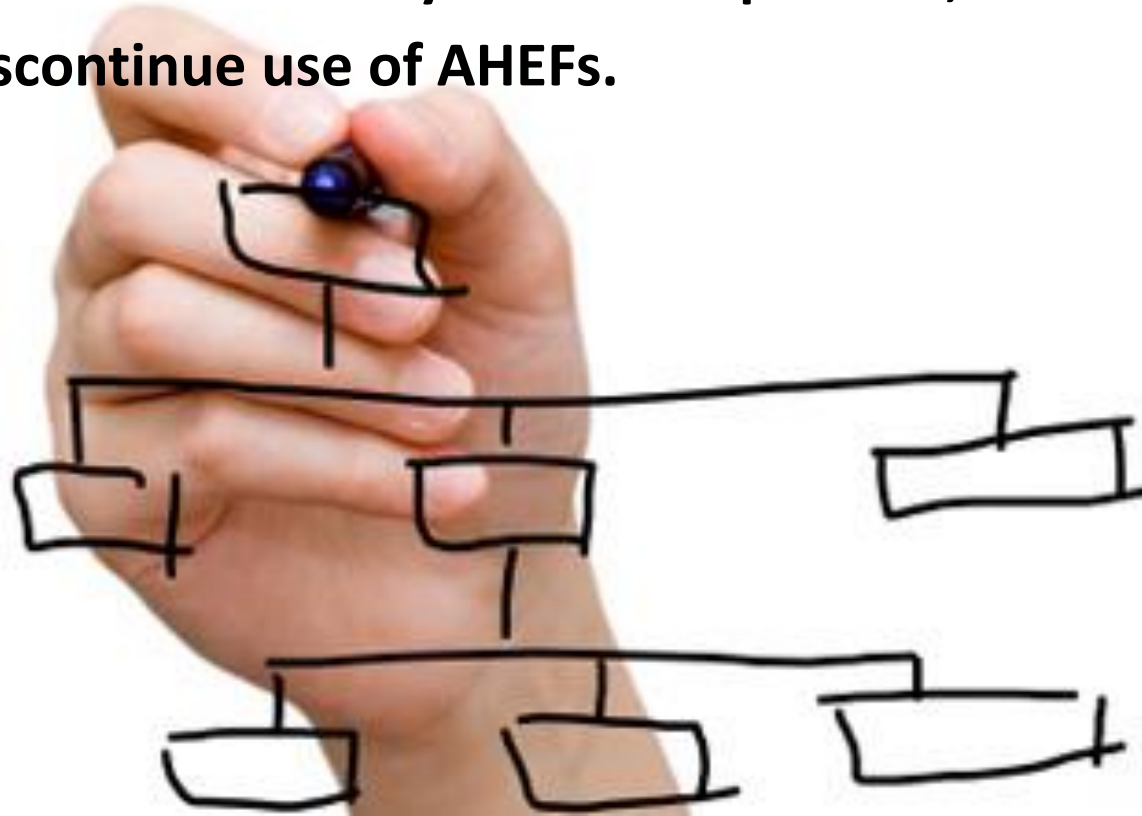

- **Emphasize the importance of regional cooperation;**
- **Stronger focus on prioritisation of activities;**
- **Continued focus on the demand-driven activities;**
- **Strengthen implementation of Energy Community Treaty obligations for MD, UA and GE (applicant).**

# ITS Strategy Directions (2)

- Work only in PCs where there is a capacity, ownership and willingness to engage;
- Strengthen relations with European organisations;
- Link regional events to concrete results of activities in a certain country that are replicable;
- Discontinue use of AHEFs.

# Regional and Country Ownership of ITS Activities and Results

**Regional and Country ownership should be achieved and strengthened through development and signing of:**

- **Regional Work Plan;**
- **Country Work Plans;**
- **Memorandum of Intent for specific activities not covered by a work plan.**

# Key Energy Statistics Results (1)

- Increased regional cooperation on energy statistics through the establishment of an Energy Statistics Network;

- Increased capacity of National Statistical Institutes in the collection, compilation and dissemination of more consistent and reliable energy statistics.

## Key Energy Statistics Results (2)

- Developed Energy Statistics Action Plans for the 11 INOGATE Partner Countries;
- 9 Partner Countries have endorsed their respective Action Plans.
