

Future Regional Energy cooperation Programme between EU, Eastern Partnership and Central Asia

Regional Action Programme 2015 Part 3

Energy Policy in Eastern Partnership countries and Central Asia

- ❑ A new programme
- ❑ Post INOGATE – based on evaluation
- ❑ Strategic analysis : IEA compendium
- ❑ Strong consultation process

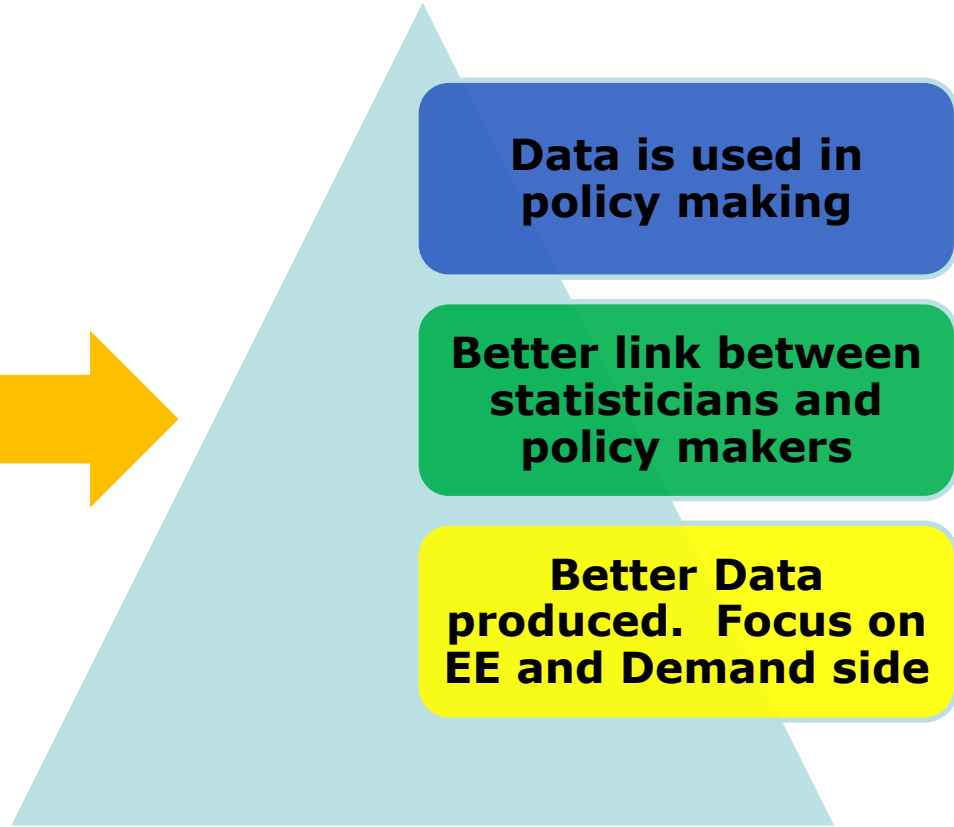

Overall framework

- ❑ Support to energy policy is essential
- ❑ Regional policy groupings are to be adapted
 - ❑ *Eastern Partnership and Central Asia*
 - ❑ *DCFTA countries*
 - ❑ *Energy importers and exporters*
- ❑ Added value of international organisations
- ❑ Energy information and policy making
- ❑ Support to a more sectoral approach
- ❑ Support to financing interconnectivity

1

Better *Data* => *Better Policy* Decisions?

European
Commission

2

Better **Policies** -
how to achieve that

A large, billowing mushroom cloud from a nuclear explosion rises from the surface of the ocean. The sky is a deep blue, and the water below is a lighter blue with white-capped waves. The explosion is the central focus of the background image.

2

Energy Security

Energy markets

Sustainable energy

Policy Recommendations

3

Improved energy legislative and regulatory framework and implemented policy recommendations

Linked to 2

Armenia, Azerbaijan and Belarus

Content and process of policies implementation

Primary and Secondary Legislation

Georgia, Moldova and Ukraine

Association Agreement, DCFTA and Energy Community

3

PECI's

Identification/Development of key energy infrastructure projects

Projects of regional importance

4

Easier access to energy information

5

Communication of regional and bilateral energy cooperation
