The Ministry would like particularly to acknowledge the work currently undertaken by the experts of the INOGATE project in Georgia in the area of the Regulatory Authorities. Regional character of the program provided us with opportunity to exchange knowledge and experience with other countries from the ENP region.

Hereby, the Ministry would like to acknowledge all experts who are contributing actively to the implementation of the above mentioned task in Georgia and particularly Mr. Nikos Tsakalidis, Mr. Nickos Tourlis, Mr. Vidmantas Jankauskas and Ms. Rusudan Nonikashvili, whose leadership provides with a high level of trust in the successful implementation of the project locally and regionally.

The Ministry of Energy avails itself of this opportunity to renew the assurances of its highest consideration to European Commission and looking forward for successful continuation of cooperation.

Yours sincerely,

Kakha Kaladze
